

Written addition of 3-digit numbers

MODULE 2 · THE FOUR OPERATIONS — MENTAL AND WRITTEN **NUMBER**

 TRY IT ON THE LINE

Set out each number from today's lesson in the place-value columns, then read it aloud.

Th	H	T	U

1. Write each number into the columns, one under the other.
2. Say the value of each digit (e.g. the 4 in 0 0 4 0 is four tens).
3. Make the largest and the smallest number you can from the same digits.

 PRACTICE

- 1** The school tuck shop sold **249** packets of biscuits in September and **570** packets in October. How many packets did the tuck shop sell in total over the two months?

- 2 The Camogie club has 570 sliotars in the storeroom at the start of the season. By the end of training under the floodlights, 249 sliotars have been used or lost in the long grass. How many sliotars are left in the storeroom?

CHALLENGE

- 1** At the GAA county final in Croke Park, **3386** supporters travel from Cork and **8528** supporters travel from Galway. How many supporters from the two counties are at the match in total?

- 2 The school library has a target of reading 8528 books across all classes this year. By Easter, the pupils have logged 3386 books read. How many more books do they need to read to reach the target?
