

Money – spending a small amount

MODULE 6 · TIME AND MONEY MEASURES

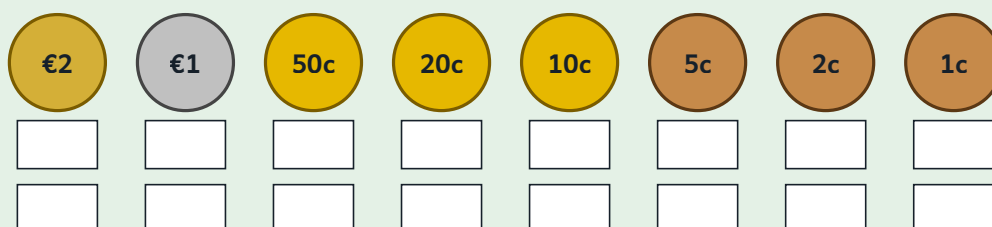

HOW TO ANSWER TODAY

- **Make change.** Change = what you paid – what it cost.

Paid €10, cost €6.75 → €10 – €6.75 = €3.25

TRY IT ON THE LINE

Use the coin mat to make and total the amounts in the lesson.

1. Make each amount with the fewest coins you can.
2. Total a small basket of prices.
3. Work out the change from a round amount.

PRACTICE

1

€50

Aoife pays **€50.00** for a bundle of raffle tickets to win the Christmas hamper at the school fair. The bundle costs **€6.98**. How much change does she get back?

2

€50 €20 €10 €5 €2
