

Lesson 1

Microhabitats and Adaptation

living-things

What you need: hand magnifier · minibeast ID sheet · clipboard · clear collection pot

Words to use

Microhabitat · Adaptation · Suited to its habitat

Our question

Which minibeasts will we find in each microhabitat, and why?

I predict...because...

What I observed

I predicted	I observed

Why does it suit its home?

Choose one living thing you found and finish: It has _____, which suits it to _____ because _____.

Creatures you might find

Which microhabitat are you at?

What creature did you find here?

Is it damp, dark, warm or sheltered here?
