

RENAMING IN $526 - 248$

- 1 Set out 526 take away 248 in neat hundreds, tens and units columns.
- 2 Units column: 6 is smaller than 8, so take one ten. Tens become 1 and units become 16. Then $16 - 8 = 8$.
- 3 Tens column: 1 is smaller than 4, so take one hundred. Hundreds become 4 and tens become 11. Then $11 - 4 = 7$.
- 4 Hundreds column: $4 - 2 = 2$.
- 5 The difference is written below the line.

WARM-UP

Fill in each blank column subtraction frame on the page.

	6	3	5
—	2	7	9

	5	4	2
—	1	6	8

	9	1	0
—	4	5	6

1. Complete the column frame for $635 - 279$
2. Complete the column frame for $542 - 168$
3. Complete the column frame for $910 - 456$

PRACTICE

- 1 The school library has 275 story books on the shelf. Class 3 borrows 132 of them for reading time. How many books stay on the shelf?
- 2 There are 486 crayons in the art cupboard. The junior classes use 253 crayons for a big mural. How many crayons are left?
- 3 The school has 641 glue sticks ready for craft week. Pupils use 275 of them on projects. How many glue sticks are still there?

? ALWAYS, SOMETIMES, NEVER

Always, sometimes or never true? Write A, S or N.
