

The jobs our body parts do

living-things

What you need: carousel body-part picture cards (ears, eyes, hands, legs, feet) · match body-part picture cards (ears, eyes, hands, legs) · match job picture cards (hearing, seeing, holding, walking) · Investigation Journal page · crayons or colouring pencils

Our question

Which body part did you match, and what job does it do?

Match each body-part card with the job card that belongs with it

Group 1	Group 2	Group 3

Which body part is this card showing?

What job is that part doing when you show it with your body?

Can you show the job without saying the word?
