

# Digital or not digital

## technology

**What you need:** tablet or picture of a tablet · remote control (batteries sealed) · picture of a real microwave with buttons and display visible · wooden spoon · hand bell · child-safe scissors · sorting hoops (or two labelled trays) · technology picture cards (tablet, remote, microwave, spoon, bell, scissors) · Investigation Journal page

### Our question

Which helpers have a screen or buttons and which do not, and what is each kind for?

Does it have a screen or electronic buttons (digital), or not (non-digital)?

| Group 1 | Group 2 | Group 3 |
|---------|---------|---------|
|         |         |         |
|         |         |         |
|         |         |         |
|         |         |         |
|         |         |         |

Does this helper have a screen?

Does this helper have buttons?

What do you notice when you look closely?
