

Lesson 26

Coding sequences and debugging in Scratch

technology

What you need: tablet or laptop with Scratch · IWB or projector linked to teacher device · Investigation Journal page

Words to use

Sequence · Bug · Debug

Our question

In what order should the moves and turns run so the cat reaches the star?

I predict...because...

What we found out

Does your plan start with a move or a turn?

Where did you put the right turn?
