

What does it do, and how could we find out?

living-things

What you need: clipboard · sticky notes · Investigation Journal page · pencil

Words to use

STEM eyes · How could we find out?

Our question

Which how-could-we-find-out questions could we really try later by watching, trying or asking?

Draw One everyday thing noticed on the school wonder walk

What I notice

What did you notice?

What does it do?

How could we find out more about it?
