

Our wonderful senses

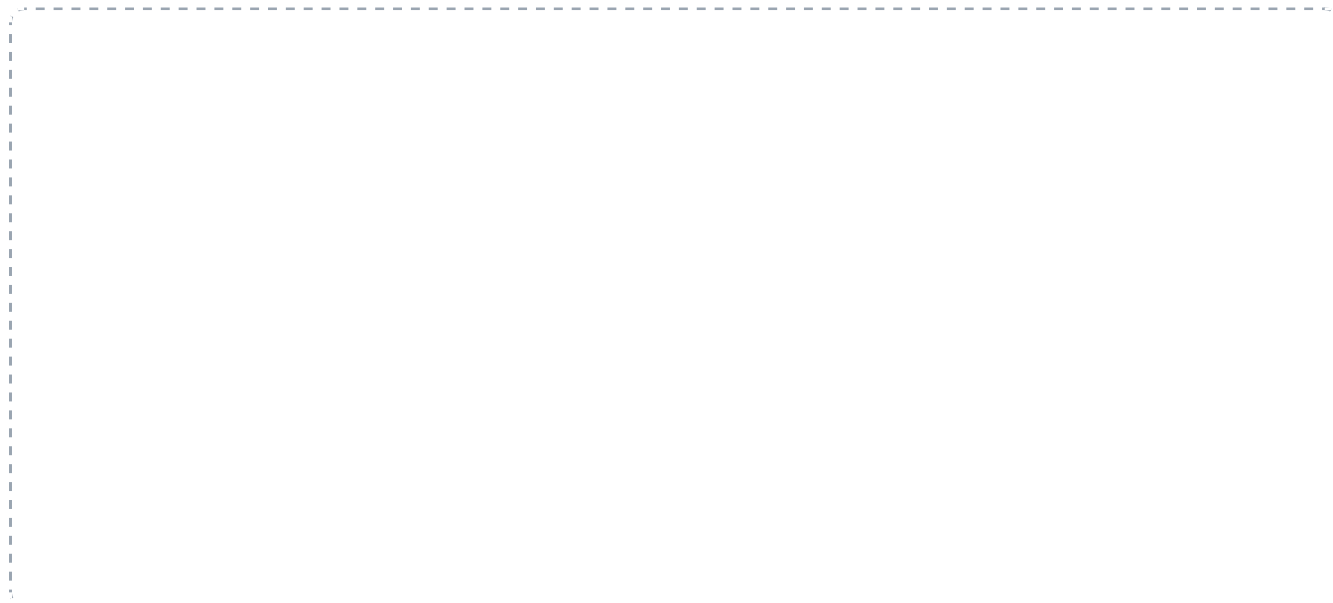

living-things

What you need: feely-bag with sponge, wooden block, fabric scrap and smooth spoon · sealed shaker pots (rice, cotton wool, pasta shapes) · sealed smell pots (vanilla on cotton wool, orange peel, mint leaves) · chunky magnifiers · look-closely tray items (leaf, shell or smooth stone, shiny spoon, button) · washed fruit pieces in individual cups (apple or banana) · water cups · crayons

Our question

How do our senses help us find things out?

My labelled drawing

Which body part did you use?

What did you notice with that sense?

Was it soft, loud, sweet, colourful, or something else?
