

The jobs our body parts do

living-things

What you need: carousel body-part picture cards (ears, eyes, hands, legs, feet) · match body-part picture cards (ears, eyes, hands, legs) · match job picture cards (hearing, seeing, holding, walking) · crayons or colouring pencils

Our question

Which body part did you match, and what job does it do?

Match each body-part card with the job card that belongs with it

body part	the job it does

Draw the body part and the job it does

Which body part is this card showing?

What job is that part doing when you show it with your body?

Can you show the job without saying the word?
