

What do we need to grow well?

living-things

What you need: needs and wants picture cards (water, dinner, sleep, warm coat, care, air, sweets, toy, screen game) · sorting hoops or labelled sorting mats (need / want) · wall or noticeboard space for the class growing chart

Words to use

Need · Want

Our question

How does food help us play and grow at school?

Words to sort

water · dinner · sleep · warm coat · hug / care · fresh air · sweets · toy · extra screen game

Sort each picture into need or want

need	want

Which things on the chart help people grow well?

Which of your examples is a need, and which is a want?
