

Planting a seed: what will it need?

living-things

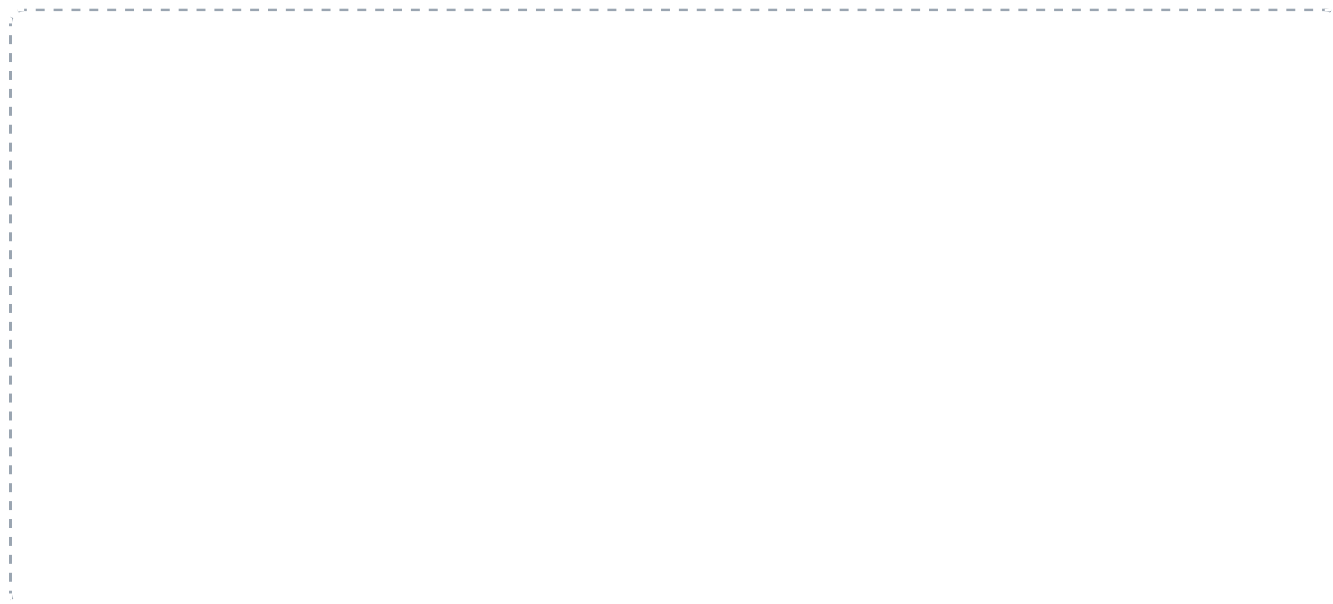

Words to use

Seed · Needs of a plant · Roots, stem and leaf

Our question

What would happen if our seed did not get one of the three things?

My labelled drawing

Labels to use

roots · stem · leaf

Labels I used

What colour and shape is your seed today?

Where is it sitting in the cup?

Draw the three things it needs: water, light and warmth
