

Planting a seed: what will it need?

living-things

What you need: clear plastic cup or small glass jar · bean seeds or cress seeds · cotton wool · small jug or bottle of water · name labels or masking-tape strips · newspaper to cover tables · class tray for finished cups

Words to use

Seed · Needs of a plant · Roots, stem and leaf

Our question

What does a seed need to grow into a plant?

My labelled drawing

Labels to use

roots · stem · leaf

Labels I used

What colour and shape is your seed today?

Where is it sitting in the cup?

Draw the three things it needs: water, light and warmth
