

A materials hunt

materials

What you need: sticky labels or sticky notes for the class word bank on the board · collecting tray for sharing favourites · hand magnifier · scrap paper for quick sketches of fixed objects · classroom objects already in the room (pencils, books, bags, chairs, window, fabric items)

Words to use

Material · Spotting materials

Our question

What materials did we find on everyday things in our classroom?

What I observed

I predicted	I observed

What material is it?

How does it feel and look?

What is the object for in our classroom?
