

Digital and non-digital technology

technology

What you need: tablet or clear picture of a tablet · wooden spoon · technology picture cards (tablet, phone, microwave, television, spoon, scissors, bell, zip) · real safe objects tray (round-tip scissors, small bell, fabric zip or old jacket zip, optional phone handset without a SIM) · sorting hoops or large paper circles · hoop label cards (digital, non-digital)

Words to use

Digital technology · Non-digital technology

Our question

Where do we see digital and non-digital technology at home and at school?

Words to sort

tablet · phone · microwave · television · spoon · scissors · bell · zip

Is it digital technology or non-digital technology?

digital technology	non-digital technology

Does it have a screen?

Does it need power for its buttons or lights?

What job does it help with?
