

One organ in action: investigating the heart

living-things

What we are finding out

We know the heart is a pump. What makes it work harder? Fill in this page for the test your group designed.

Our fair test plan

Our test	
What we change (the activity)	
What we measure	
Counting time	
Who we measure	
How long we exercise	

I predict ... because ...

Jobs in our group

Name	
Person measured	
Timekeeper	
Recorder	

Our counts (beats in 15 seconds) - circle the middle value

Activity we did	Trial 1	Trial 2	Trial 3	Middle value
Resting				
Gentler activity				
Livelier activity
