

micro:bit responds to an input

technology

What you need: micro:bit (with USB lead)

Words to use

Input · Output · React · Sensor

What made it react, and what it did

The input (what we did to it)	The output (how it reacted)

One input we tried that did NOT work, and why we think that was

A bug we fixed, and what caused it

Where a device that reacts like this would be useful in real life
