

Technology in Irish life: advantages and drawbacks

technology

What you need: research card sets (bus tracker, weather app, smart farming) · scrap paper for rough notes · pencils

Words to use

Advantage · Drawback · Setting · Technology choice

Our question

For your Irish everyday technology, which way of doing the job suits which setting: with the technology or without it?

I predict...because...

What we found out

Our comparison

Head each empty column with one thing you tested for, then fill in a row for each thing you tested.

What we tested				

Our choice: finish the sentence

We chose _____ because _____.

Which option would you choose for which place, and why?

What is the biggest drawback you found?
