

The systems of the human body

living-things

What you need: organ cut-out cards (lungs, windpipe, heart, blood vessels, stomach, intestines, bones, muscles, brain, nerves) · system team-mat header cards (Breathing, Circulation, Digestion, Movement, Control) · pencils or colouring pencils · blank scrap card or sticky notes for challenge organs

Words to use

Organ · Body system · Working together

Our question

How do body systems hand jobs to each other when you run?

Draw what I see

What I notice

What I found out
