

# The digestive system: the journey of food

living-things

**What you need:** long rope or thick string (about 2–4 m, or a masking-tape line) · digestive organ cards (mouth, oesophagus, stomach, small intestine, large intestine) · soft fabric tube (long sock or fabric sleeve) · small soft ball (foam or fabric)

## Words to use

Digestive system · One-way journey · Peristalsis · Oesophagus

## Our question

What happens to food at each stage of the journey, and how does peristalsis help?

## Draw and label the order

## Labels to use
