

Materials and sustainability

materials

Words to use

Recycling · Compost · General waste · Reduce · Reuse

Our three questions for each item

Is it food or plant material? If not, is it clean, dry paper, card, plastic, metal or glass that our recycling accepts? Otherwise it is general waste.

Our audit: how many items went into each tray

Recycling	Compost	General waste

One tricky item: which bin we chose, and why

Reduce (use less) or reuse (use again): one practical idea for our class or school
