Sort these words into Change, Measure and Keep the same

the material · does it dissolve? how fast? · amount of water · spoonful of solid · how we stir · the cup

Change – the ONE thing we change

Measure – the ONE thing we measure

Keep the same – to make it fair

Our results

What we changed	What we measured

Did the solid pieces disappear from view?

Was the water clear or cloudy?

Did anything settle on the bottom when the cup sat still?
