

What does technology do for us?

technology

Words to use

Technology · Digital technology · Non-digital technology

Our question

Is it digital or non-digital, and what job does it do?

Sort each everyday technology into digital or non-digital, then name the job it does

Object	Digital or non-digital?	The job it does
spoon		
bicycle bell		
manual pencil sharpener		
torch		
classroom calculator		

One more technology from our classroom, and its job
