

An animal's life cycle

living-things

What you need: hook picture card (butterfly egg or frogspawn photo) · butterfly life-cycle cards (egg, caterpillar, chrysalis, adult butterfly) · frog life-cycle cards (frogspawn, tadpole, froglet, adult frog) · sequencing strip or clear table space for ordering cards

Words to use

Life cycle · Stage

Our question

How are the butterfly and frog life cycles the same, and how are they different?

Draw and label the cycle

Labels to use

egg · caterpillar · chrysalis · adult butterfly

My return arrow goes from ____ back to ____, and I would call it

Which animal will you draw?

What are the four stages in order?

If you have time: what changes between two of the stages?
