

Technology that helps us

technology

Words to use

Technology · Purpose · Digital · Non-digital

Our question

Which purposes did we find, and how can we tell digital from non-digital technology?

Words to sort

torch · glasses · magnifying glass · radio · headphones · bicycle · bus · mobile phone · walkie-talkie · wall clock · digital kitchen timer · tablet

Group each technology by the main purpose it serves

helps us see	helps us hear	helps us travel	helps us talk	helps us keep time

What I found out
