

DUBLIN LEAD KERRY ON THE BOARD

- 1 Dublin have 7 points and Kerry have 4 points.
- 2 Start just after 4 on the number line. Hop to 5, then 6, then 7.
- 3 That is 3 steps, so 7 is 3 more than 4.
- 4 Write the gap as $7 - 4 = 3$.

WARM-UP

Mark each pair on the number line and count the steps in the gap.

1. Mark 5 and 3 and count the steps between them
2. Mark 12 and 9 and count how many more 12 is than 9
3. Mark 14 and 9 and show the steps in the gap

PRACTICE

- 1 Cork have 6 points on the board and Mayo have 4. How many more points does Cork have? _____
- 2 Galway hit 8 sliotars in training and Limerick hit 5. How many more sliotars did Galway hit? _____
