

Tens and units

Riddles on the desk

Tens pick the row.
Units walk along!

Look

61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80

Find the row. Then count along.

Your turn

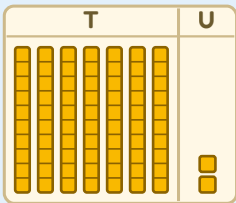

Write the missing numbers.

A	41	42	43	44	45	46		48	49	
B	71	72	73	74	75		77	78	79	
	81	82	83	84	85	86	87	88		90

Write the tens and units.

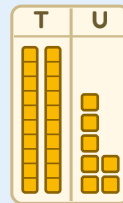

A

$$\boxed{} \boxed{} = \boxed{}$$

tens units

B

$$\boxed{} \boxed{} = \boxed{}$$

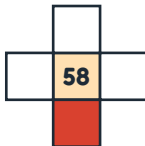

tens units

Is it right?

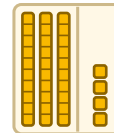

Ring the tick or the cross.

Ten more than 58 is 68.

That is 43.

★ Star challenge

Ring the bigger number.

36

63

How did I do? Colour a face.
