

A cylinder can do both!

Stack, roll or both

Tins stacked in the shop

Look

stacks

rolls

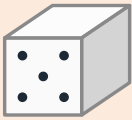

both

Flat faces stack. Curved faces roll

Your turn

Draw a line to its box.

stacks

rolls

both

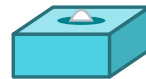

Is it right?

Ring the tick or the cross.

That is a cylinder.

That is a cube.

★ Star challenge

Ring every one that rolls.

How did I do? Colour a face.
