Adapted to survive

Living Things

Our eight living things: tick each one when it is in your table

common frog ☐

heather ☐

grey seal ☐

bladderwrack seaweed ☐

hedgehog ☐

oak tree ☐

oystercatcher ☐

holly ☐

Sort the living things by the features that help them survive

Bog	Coast	Hedgerow

Draw and label your group's designed living thing - mark three features

Labels I used (my three features)

What I found out: how one feature helps, and which habitat it suits
