WHO SEES SUNRISE FIRST?

Use the times on the map. Circle the place where the sun rose first.

Dublin or Galway? — Dublin / Galway

Belfast or Cork? — Belfast / Cork

Cork or Galway? — Cork / Galway

Belfast or Dublin? — Belfast / Dublin

WHY FIRST?

Why did the sun rise first in Belfast and Dublin? Tick the best reason.

- ☐ They are further east, so they turn into the sun's light first.
- ☐ They are bigger places than Cork and Galway.
- ☐ They are nearer the sea.
