Lesson 15

Materials in everyday Irish life

Materials

Words to use

Source · End of life · Sustainable swap · Trade-off

One quick property from the tray

Sample	What it felt like (heaviest / bends / softest)

From the research cards: short phrases you could say aloud

Material	Source	Main use	End of life	Watch-out
Glass				
Wool				
Peat-free compost				
Bioplastics				

Label hunt: what is really in this room

What I checked	What it is made from	Where it goes when we finish with it
My coat or jumper		
One thing from my lunch		
One more thing in the room		

Our recommended swap, and who or what it is for

Two reasons from the evidence, and one find from our label hunt

One trade-off we accept
