Lesson 11

Ask a testable question: which material suits the job?

Materials

Words to use

Testable question · Evidence

Nell's three jobs: circle the one your group is testing

Keep a toy dry | Cosiest cushion top | Strongest bag handle

Our question

Which material is best for our job?

I predict...because...

Words to sort

cotton cloth scrap

kitchen foil

plastic bag piece

card strip

felt or fleece scrap

string or yarn

Might suit our job / Probably will not suit our job

might suit our job	probably will not suit our job

We tried

Nell should use ...because ...
