Lesson 14

Weathering: what does Irish weather do?

Materials

Words to use

Weathering · Sheltered

Our question

> What does Irish weather do to materials left outside?

I think the ...changed most because...

Our scores: 1 almost the same, 2 a bit different, 3 very different

> Look at the outside sample and the inside sample together. Write one word or draw a tiny sketch of how it changed.

Sample	How it changed	Our score: 1, 2 or 3
Paper		
Fabric		
Foil		
Chalk		

The one that changed most: inside

The one that changed most: outside

Which one stayed almost the same?

What do you think rain, sun or wind did?
