Energy in our everyday lives

Energy & Forces

Words to use

Energy · Our own energy

Our question

What energy jobs did we spot, and where does our own energy come from?

My energy hunt

What I found	Where does it get its energy?

Words to sort

classroom lights

radiator

school bus

fire drill bell

torch

kettle

bicycle

speaker or radio

interactive whiteboard

hairdryer

washing machine

whistle

Write each thing from your hunt under the job its energy is doing

lighting	heating	moving	making sound

My energy test: I used my energy to ...It came from ...
