Lesson 20

Where do sounds come from?

Energy & Forces

Words to use

Sound source · Natural (N) · Made by people (P) · Loud (L) · Quiet (Q)

Our question

> **What sound sources did we find around our school, and what do we think was wobbling?**

My elastic band: what happened to the sound when I held the band still?

My sounds: write the sound, what made it and what you think wobbled. Later, tick N or P, then L or Q.

The sound I heard	What made it	What do I think wobbled?	N or P	L or Q

Draw your best sound source. Add wobble lines to the part that moved.

The quietest sound we found was…

What surprised you about the sounds around our school?
