Negative numbers — temperature in NI winter context

STRETCH PROBLEMS

1. The P7 class at a school in Down measures the rainfall on three autumn mornings while planting bulbs in the school garden. The rain gauge reads **9.40 mm**, **4.88 mm** and **6.89 mm**. Order the rainfalls from smallest to largest.

   Order from smallest to largest: 9.4, 4.88, 6.89

2. Three P7 pupils take part in the school PTA sponsored cycle along the cycle path in Antrim. Caoimhe cycles **4.80 km**, Jack cycles **9.84 km** and Niamh cycles **7.32 km**. Order their distances from smallest to largest.

   Order from smallest to largest: 4.8, 9.84, 7.32
