

## Budgeting, saving and simple financial plans

## HOW TO ANSWER TODAY

- **Make change.** Change = what you paid – what it cost.

Paid €10, cost €6.75  $\rightarrow$  €10 - €6.75 = €3.25

 **STRETCH PROBLEMS**

- 1 5th class collected €36.20 in ticket sales for the Christmas hamper raffle. They spent €13.78 on the hamper itself. How much money is left over for the class fund?

- 2 Saoirse and her cousins club together to buy a birthday present for their grandad at the local SuperValu. The present costs €6.98 and Saoirse hands over €50.00 at the till. How much change does she get back?

- 3 Saoirse's mam fills the trolley at the local SuperValu and the bill for fresh food comes to €89.34. The household items in a second basket come to €59.76. How much is the full shop altogether?

- 4 Oisín stops at the corner shop on the way home from school and picks up a birthday card for his nana, which costs €12.34. He hands the shopkeeper a €50.00 note. How much change should he get back?

- 5 At the 5th class book fair, Aoife's stall takes in €59.69 from paperback sales on Monday and €28.80 from bookmark sales on Tuesday. How much money has her stall taken in altogether?

**● INVESTIGATE**

## A class party on €50

Plan a class party with a budget of exactly €50. List what you'll buy and the cost of each item. Get as close to €50 as you can without going over. What did you have to leave out?
