

Solid shapes: the cube and the cuboid

MODULE 6 · SHAPE AND SPACE — 2D, 3D, POSITION AND TURNS

SHAPE & SPACE

★ STRETCH PROBLEMS

- 1 Every face of a solid is the same square. Is it a cube or a cuboid?
- 2 A cereal box has faces that are rectangles. Is it a cube or a cuboid?
- 3 How many faces does a cube have?
- 4 A dice is a solid shape. Is it a cube or a cuboid?

● INVESTIGATE

Box or dice?

Find a cube and a cuboid at home or in the classroom. Draw them and write cube or cuboid under each one.
