

Energy makes things work

Senior Infants

Print and cut along the dashed lines, then hand one card to each group. These carry the **text a group reads** — a job to do, a brief to research, or notes to identify by. They are not sorted or sequenced, so there is nothing to match on screen.

Fan

A fan with spinning blades. Energy makes the fan move and blow air. ^{R_s} ^{R_s}

Lamp

A lamp glowing brightly. Energy makes the lamp light up. ^{R_s} ^{R_s}

Clap

Two hands clapping. Energy from our bodies makes the sound. ^{R_s} ^{R_s}

Running

A child running and playing. Energy from food helps our bodies move. ^{R_s} ^{R_s}

Wind turbines

Tall turbines spinning on a windy hill. Wind energy helps make power for homes. ^{R_s} ^{R_s}

Sun

The sun shining on a garden. The sun's energy helps plants grow and can warm the yard. ^{R_s} ^{R_s}

Food

A simple healthy lunch. Food gives our bodies energy to learn and play
