

Algorithms and debugging: unplugged to sequenced

4th Class

Print and cut along the dashed lines, then hand one card to each group. These carry the **text a group reads** — a job to do, a brief to research, or notes to identify by. They are not sorted or sequenced, so there is nothing to match on screen.

Library sort

Put three story books back on the class library shelf in alphabetical order by the author's surname. ^{R_s} ^{R_s}

PE line

Lead your group from their desks to a quiet straight line at the classroom door, ready for PE. ^{R_s} ^{R_s}

Plant care

Water the classroom plant once, safely, and put everything away. ^{R_s} ^{R_s}

Pack away art

Collect four paint pots, seal them, and return them to the art tray without spills
