

Plants in our local and wider world

2nd Class

Print and cut along the dashed lines, then hand one card to each group. These carry the **text a group reads** — a job to do, a brief to research, or notes to identify by. They are not sorted or sequenced, so there is nothing to match on screen.

Heather (wet bog)

Small tough leaves and tiny purple or pink flowers. Likes wet, windy bog ground. ^{R_s} ^{R_s}

Hawthorn (field edge)

Lobed leaves, white spring blossom and sharp thorns. Grows along hedgerows and field edges. ^{R_s} ^{R_s}

Thrift / sea pink (windy shore)

Low cushions of narrow leaves and pink pom-pom flowers. Stays low so strong sea winds do not snap it
