

The right material for the job

Senior Infants

Print and cut along the dashed lines. These carry the **text a group reads** — a job to do, a brief to research, or notes to identify by. Check the lesson's teacher notes for how many sets each group needs and how they are used: some lessons hand out one card per group, others sort or sequence a full set.

Umbrella

We need something that keeps the rain off us

Teddy

We need something soft to cuddle

Window

We need something we can see through that keeps the weather out

Bag

We need something strong that can hold our books and lunch
