

Steps in order: first algorithms

Senior Infants

Print and cut along the dashed lines. These carry the **text a group reads** — a job to do, a brief to research, or notes to identify by. Check the lesson's teacher notes for how many sets each group needs and how they are used: some lessons hand out one card per group, others sort or sequence a full set.

Bread

Take two slices of bread and put them on the plate. ^{R_s} ^{R_s}

Butter

Spread butter on the bread. ^{R_s} ^{R_s}

Filling

Put cheese, ham or jam on top. ^{R_s} ^{R_s}

Together

Place the second slice on top to finish the sandwich
