

What energy can do

1st Class

Print and cut along the dashed lines. These carry the **text a group reads** — a job to do, a brief to research, or notes to identify by. Check the lesson's teacher notes for how many sets each group needs and how they are used: some lessons hand out one card per group, others sort or sequence a full set.

Fan

a fan spinning and moving the air. ^{R_s} ^{R_s}

Lamp

a lamp giving out light. ^{R_s} ^{R_s}

Radiator

a radiator keeping a room warm. ^{R_s} ^{R_s}

Clapping hands

hands clapping and making a sound. ^{R_s} ^{R_s}

Children playing

children running and playing in a yard. ^{R_s} ^{R_s}

Eating lunch

a child eating food that gives the body power
