

Technology that helps us

2nd Class

Print and cut along the dashed lines. These carry the **text a group reads** — a job to do, a brief to research, or notes to identify by. Check the lesson's teacher notes for how many sets each group needs and how they are used: some lessons hand out one card per group, others sort or sequence a full set.

Tablet Circulate and ask

What does it do? Who might use it? Where have you seen it? Keep handling gentle. Real objects stay on the tray when not being examined. Use a short hand-out and tidy-up routine so the transition does not steal the next beat
