

Our life story: from baby to grandparent

Senior Infants

Print and cut along the dashed lines. These carry the **text a group reads** — a job to do, a brief to research, or notes to identify by. Check the lesson's teacher notes for how many sets each group needs and how they are used: some lessons hand out one card per group, others sort or sequence a full set.

Baby

A tiny person just starting life. Needs lots of care

Child

A young person like you. Growing, learning and playing

Grown-up

An adult who can work and look after a family

Older person

An older person, like a grandparent. Has lived a long life
