THE CULTURE POINT

Doctors still make house calls

COPYBOOK MOMENT · 3 MIN

Write one sentence saying that a part of you hurts, and one describing someone's hair and eyes.

Read as written. Pause the board; every pupil writes. Not collected, not marked.

WATCH FOR

- Pupils dropping the little word in front (la, le, les). It is part of the word, not an extra — mark it as a spelling.
- Accents. 1 of this lesson's words carry one (la tête). A missing accent is a missing letter.
