THE CULTURE POINT

Cousins are cousins or cousines depending who they are

COPYBOOK MOMENT · 3 MIN

Write the words for the people in your own house, each with its article.

Read as written. Pause the board; every pupil writes. Not collected, not marked.

WATCH FOR

- Pupils dropping the little word in front (la, le). It is part of the word, not an extra — mark it as a spelling wherever the page shows it. Crossword prints the word on its own, so no article is expected there.
- Accents. 6 of this lesson's words carry one (le père, la mère, le frère, le grand-père, la grand-mère, le bébé). A missing accent is a missing letter.
