COPYBOOK MOMENT · 3 MIN

Write four nature words with their articles, and tick the ones you could see from your own home.

Read as written. Pause the board; every pupil writes. Not collected, not marked.

WATCH FOR

- Pupils dropping the little word in front (l', la, le). It is part of the word, not an extra — mark it as a spelling wherever the page shows it. Word search, Match and Unscramble print the word on its own, so no article is expected there.
- Accents. 2 of this lesson's words carry one (la rivière, la forêt). A missing accent is a missing letter.
