THE CULTURE POINT

Tiles and mosaics — geometry as everyday decoration

COPYBOOK MOMENT · 3 MIN

Draw four shapes in your copy and write the target-language word under each one.

Read as written. Pause the board; every pupil writes. Not collected, not marked.

WATCH FOR

- Pupils dropping the little word in front (el, la). It is part of the word, not an extra — mark it as a spelling wherever the page shows it. Crossword prints the word on its own, so no article is expected there.
- Accents. 5 of this lesson's words carry one (el círculo, el triángulo, el rectángulo, el óvalo, el corazón). A missing accent is a missing letter.
